アプリケーション

The image displays a collage of screenshots from the FASTIO application, illustrating its various features and data visualization capabilities. The screenshots are arranged in a layered, overlapping manner.

- Top Left:** A screenshot of the FASTIO main interface showing a map of a region with various data points and a sidebar menu.
- Top Center:** A screenshot showing a detailed data graph with multiple series (DI1, DI2, DI3, DI4, DI5, DI6, DI7, DI8, DI9, DI10, DI11, DI12, DI13, DI14, DI15, DI16, DI17, DI18, DI19, DI20, DI21, DI22, DI23, DI24, DI25, DI26, DI27, DI28, DI29, DI30, DI31, DI32, DI33, DI34, DI35, DI36, DI37, DI38, DI39, DI40, DI41, DI42, DI43, DI44, DI45, DI46, DI47, DI48, DI49, DI50, DI51, DI52, DI53, DI54, DI55, DI56, DI57, DI58, DI59, DI60, DI61, DI62, DI63, DI64, DI65, DI66, DI67, DI68, DI69, DI70, DI71, DI72, DI73, DI74, DI75, DI76, DI77, DI78, DI79, DI80, DI81, DI82, DI83, DI84, DI85, DI86, DI87, DI88, DI89, DI90, DI91, DI92, DI93, DI94, DI95, DI96, DI97, DI98, DI99, DI100) plotted against time. The graph shows a significant spike in one of the series.
- Top Right:** A screenshot showing a map with a highlighted route and a sidebar menu.
- Middle Left:** A screenshot showing a grid of small images, likely representing different sensor locations or data points.
- Middle Center:** A weather forecast panel for "北北東" (North-Northeast) with a wind speed of 24 m/s and a status of "非常に強い風" (Very strong wind). It also shows a precipitation forecast of 32% and a temperature of 32°C.
- Middle Right:** A weather panel for "北北東" (North-Northeast) with a wind speed of 16 m/s and a status of "晴時々雪" (Partly sunny with snow). It also shows a precipitation forecast of 1024 mm and a temperature of 10:22.
- Bottom Left:** A screenshot showing a list of events or logs with columns for date, time, and status.
- Bottom Center:** A screenshot showing a detailed data table with columns for date, time, and various data points.
- Bottom Right:** A screenshot showing a detailed data table with columns for date, time, and various data points.
